# THE MILLION DOLLAR SYSTEM

## 11 PROTOCOLS TO TARGET FACE, BODY AND HAIR CONCERNS

### Mini Million Dollar Facial

This is the perfect introduction to the Million Dollar Facial system and to set a treatment plan for your skincare journey. This facial targets all skin types and concerns and can be recommended as booster facial. Combining a deep cleanse, exfoliation, massage, mask and moisturise.

### Million Dollar Superfacials

2 bespoke hands on facials, designed to target individual needs. The glow Superfacial A luxurious facial combining Million Dollar Vit C10 serum and the Million Dollar Ice globes. Perfect for concerns of pigmentation, uneven skin tone and age spots leaving skin looking more radiant and your complexion more youthful. The Hydrate Superfacial is using A powerful, high concentration of 15 % hyaluronic acid in the HA15 serum. A humectant to attract moisture from the blood vessels into the skin. The active serum will help to reduce the appearance of fine lines and wrinkles whilst promoting an even skin tone and a youthful complexion. Optimal skin hydration helps to heal and soothe inflammation. Perfect for a skin that is inflamed, sensitive or active.

### Million Dollar Dermaplane

A manual exfoliation cosmetic procedure that gently abrades the dead layers of the skin using a surgical blade with our industry leading Million Dollar professional skin care products. The treatment stimulates collagen synthesis and creates a healthy glow and a radiant complexion. Dermaplane aims to make your skins surface smooth, youthful and radiant. It is also used to remove "peach fuzz" the short soft vellus nonterminal hair from your face.

### Million Dollar Microneedling

The aim of our Million Dollar micro needling treatment is to traumatise the skin without collateral damage to the epidermis and healthy skin tissue. The recovery is rapid, with little downtime, pain or discomfort. Million Dollar micro needling is used to treat and improve conditions like acne scarring, fine lines and wrinkles, loose skin, skin texture, pore size, brown spots, stretch marks, and pigment issues.

### Million Dollar Facial

Working your skin from the outside in, this treatment has been designed to deeply exfoliate dead skin cells and remove nonterminal hair, polish the skin, flush toxins, increase and stimulate our natural collagen and cell turnover. Our Million Dollar facial treatment is a 10 step unique protocol which includes dermaplaning, skin needling and lymphatic drainage massage. Targeting concerns like fine lines and wrinkles, pigmentation and acne scarring giving benefits of a brighter skin with a smoother more even complexion.

## **Million Dollar Miracle Mask**

The ground-breaking facial mask packed with clinically proven ingredients. The multi-functional treatment designed to work miracles in one session. Leaving skin tighter, firmer and brighter. Using the latest in peptide technology, this Miracle Mask has the unique ability to create micro circulation, promote collagen and elastin and stimulate detoxification. Thus, instantly energising the skin giving you that red carpet look 72 hours before any big event in your social calendar.

## **Million Dollar Immaculate Peels**

A chemical peel enhances and smoothes the texture of the skin. It is an effective treatment for facial blemishes, wrinkles and uneven pigmentation or problematic skin acne and active pustules. They exfoliate the outer layers of dead skin, revealing a new skin layer with improved tone and texture. The Million Dollar Immaculate Collection contains three medium depth skin peels designed to be used on their own or part of an ongoing treatment program in clinic to help manage issues with uneven skin tone and the ongoing ageing process.

## **Million Dollar Body**

Million Dollar Body has been designed to combat areas of concerns on the body working from the neck down.

By creating minor injuries where skin has been damaged, Microneedling encourages your body to repair damaged skin through increased production of collagen and elastin. The science behind our Microneedling method with our clinically proven products gives solutions for a variety of issues such as stretchmarks, cellulite, and scarring.

## **Million Dollar Hand Rejuvenation**

Our hands take a beating every day and carry a surprising amount of tension. This treatment combines massage, to release the stress and tension and leave you feeling relaxed and rejuvenated, whilst using our unique products and techniques to target ageing, pigmented and dehydrated skin.

## **Million Dollar Hair Rejuvenation**

Million Dollar hair utilises the method of micro needling to stimulate the hair follicles, causing them to regenerate. Incorporating the concentrated hair ampoule, this formula can restore hair suppleness, reduce flaking, repair damaged hair and provides ultra hair soothing properties to improve overall hair and scalp health. It has shown to counteract hair loss by providing an effective way to stimulate hair growth and fortify new hair.

## **Million Dollar Bacial**

Maintaining your skins health is not only about keeping your face clear and glowing. Baring a bumpy back can be stressful. Our Million Dollar Bacial can help your skin glow all over. Back facials can be beneficial in cleansing those hard to reach areas, targeting a variety of skin care needs such as clogged pores, back acne and dehydrated skin.
